

**ALAN
THE WRENCH**

Alan the Wrench theme song
“Welcome to Workington”

Welcome to Workington
Welcome to Workington
Welcome to Workington
Where we work and we play
Every night and all day
We have something to say
Welcome to Workington
Welcome to Workington
Welcome to Workington
Where our love never ends
With all our family and friends
We're always building new things
Welcome to Workington
Welcome to Workington
Welcome to Workington
